Hi Clayton!

Are you sitting down? We hope so, because we know that your stoke level is going to surpass even our own from this wonderful bit of news we're so pumped to tell you: Your order has shipped! And our computer gurus have put together a rad little tracking number so you can keep tabs on your beloved piece of Tower as it cruises on it's way to it's new home.

And hey, if you have any questions, shoot us an email! We love sharing the stoke and helping you out is the best way to do so.

Thanks again for shopping at Tower Electric Bikes

Tracking Number(s): [789071055264](#)

Order#: 146122 placed on 8/9/2019 6:30:00 PM

Tower operates a number of websites that ship various beach lifestyle products. The majority of orders ship via UPS or USPS, and you can track them by clicking on the tracking number above or just by copying and pasting that tracking number into a Google search.

CURRENT EXCEPTIONS: Hard Board SUP and Surfboard Orders: These items ship via a freight company. Copy the tracking number from the above link to track your package on the [Pilot Freight website](#). Note that any accessories you ordered will likely be shipped separately from UPS or USPS, and will likely arrive separately. If you have any questions on this, email us at info@towerelectricbikes.com

You can view your order by accessing the [My Account](#) section of our website to review your order details or print an invoice.
