Your Coverage Amount....

The limit of liability for this structure (Coverage A) is based on an estimate of the cost to rebuild your home, including an approximate cost for labor and materials in your area, and specific information that you have provided about your home. It is up to you to choose the coverages and limits that meet your needs. We recommend that you purchase a coverage limit at least equal to the estimated replacement cost of your home. Replacement cost estimates are available from building contractors and replacement cost appraisers, or, your agent can provide an estimate from a third-party vendor using information you provide about your home. We can accept the type of estimate you choose as long as it provides a reasonable level of detail about your home. State Farm® does not guarantee that any estimate will be the actual future cost to rebuild your home. Higher limits are available at higher premiums. Lower limits are also available, which if selected may make certain coverages unavailable to you. We encourage you to periodically review your coverages and limits with your agent and to notify us of any changes or additions to your home.

IMPORTANT NOTICE . . . Discounts and Rating

The longer you are insured with State Farm® and the fewer claims you have, the lower your premium. For policyholders insured by State Farm for three or more years, the Claim Free Discount Plan provides a premium discount if you have not had any claims considered for the Plan in the most recent three-year period since becoming insured with State Farm. Premium adjustments under the Claim Record Rating Plan are based on the number of years you have been insured with State Farm and on the number of claims that we consider for the Plan. Depending on the Plan(s) that applies in your state/province, claims considered for the Plans generally include claims resulting in a paid loss and may include weather-related claims. Additionally, depending on your state/province's plan and your tenure with State Farm, any claims with your prior insurer resulting in property damage or injury may also influence your premium. For further information about whether a Claim Free Discount is in effect in your state/province, the Claim Record Rating Plan that applies in your state/province, and the claims we consider for the Plans, please contact your State Farm agent.

Important Reminder . . .

Under the Utility Rating Plan, premiums may increase when any of the utility systems (electrical, plumbing, heating, and cooling) in your dwelling insured by this policy become 40 years old. Your premiums may be reduced if you have:

- (1) Completely replaced all utility systems (electrical, plumbing, heating, and cooling) in the last 40 years; or
- (2) Replaced the heating equipment, air conditioning equipment, electrical service entrance and distribution panel in the last 16 years.

Please ask your State Farm® agent for details.
